creativity	- 45 (70,3%)
breaking language barriers and improving language skills	- 58 (90,6%)
developing the ability and openness to cooperation with other students and teamwork	- 50 (78,1%)
developing active EU citizenship by raising awareness of responsibility for the natural environment	- 47 (73,4%)
exchange of good practices in all schools	- 35 (54,7%)

## What did you like most about the project?

- ✓ communication, new experience, beautiful destinations, wonderful people
- ✓ cooperation with students from other countries, international environment
- ✓ I like that we had to work together in groups.
- ✓ the opportunity to visit faraway countries and share experiences with students from different cultures
- ✓ the project topic and the opportunity to travel
- ✓ meeting new people and learning about other cultures
- ✓ getting to know students from different countries, learning about climate change and marine pollution and how to help prevent it
- ✓ opportunity to speak and practice my English
- ✓ being able to learn while doing fun activities together
- ✓ the people that I met and the things we learnt I learned about the culture of other countries, as well as the teaching methods they use. In addition, I became deeply familiar with the topic of climate change.
- ✓ I liked cooperation that was involved in all this project and the opportunity that we had to learn about stuff that was unknown to us.
- ✓ the meetings, the new places, the new students we met and the memories of this project.
- ✓ we visited remarkable and unique places
- ✓ going to the beach
